

We have your hose connection!

The most complete line of hose styles for ALL snowmaking systems

Standard Jacketed Hose

Introduced in 2016

Valley Legacy

Lighter weight, more flexible, less stretch, same high pressure (750PSI) service. Standard color orange. Custom colors available. 1 1/2 and 2 inch sizes. Other styles available for lower pressure service applications.

High Pressure Quick Disconnect

The **ORIGINAL** high pressure quick couplers, these products remain popular. Parts • AVS • BVS • DVS • FVS • in 1 1/2" & 2" sizes
Rated for 750 PSI working pressure, with 3:1 safety factor built in.

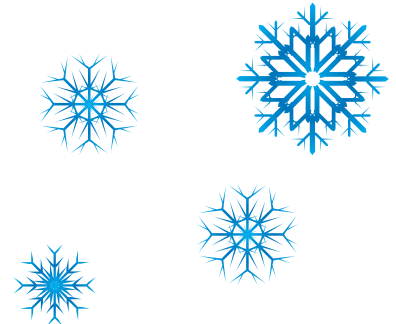

Hardwall Construction

Popular for permanent or tower mounts.
All sizes available with working pressures to 1000 PSI.
Many styles, options and custom lengths.

Valley's services & capabilities...exceeding your expectation!

- Certified Welding & Fabrication
- Mobile Test Trailer for On-Site Testing & Repair
- Hydraulic Hose Assemblies, Adapters, Fittings
- Gaskets, Pump Packing, Sealing Products
- Metal Hose Assemblies, Expansion Joints, Pump Connectors
- Fast, Friendly, Qualified Service

with Valley you get...Value, Quality & Service

Call for a quotation on your current requirements

Safe, reliable products for 43 years.

Product Listing

HYDRAULICS

High & Low Pressure Hose	Adapters
Crimped & Reusable Ends	Return Line
Quick Disconnect	SAE Flanges
SAE/Metric	Tubing/Tube Fittings
Couplings/Clamps	Swivel Joints
Spiral	Braided

HOSE

Ducting	Food Grade	Welding
Composite	Fire	Hand Built
Air	Spray	Hydraulic
Water	Blast	Petroleum
Chemical	Material Handling	Vacuum
Suction	Discharge	Thermoplastic
Fluoropolymer	Pressure Washer	Metal
Acid	Special Applications	Washdown
LPG	Concrete Pump	Chlorine
Steam	Vapor Recovery	Snow

ACCESSORIES

Strainers	Hose Reels	Nozzles
Ball Valves	Clamps	Testing
Covers	Swivel Joints	Gauges

METAL/FLUOROPOLYMER HOSE

Stainless Steel	Bronze	Monel
Hastelloy	Pump Connectors	Interlock
Expansion Joints	Chlorine	

ASME Sec. IX Certified Welding & Fabrication
Convuluted, Smooth Bore, High Pressure
Flow Thru PTFE Assemblies

TUBING

Tygon®	Neoprene	PVC
Polyethylene	Stainless	Teflon®
Nylon Reinforced	Silicone	Nylon®
Clear	Assemblies	Gum

PACKING / GASKETS / SEALING PRODUCTS

Pump	Non-Asbestos	Teflon Tape
Valve Stem	Fluoropolymer	Lip Seals
Compression	Graphite	Klozure
Molded	Kevlar®	Spiral Wound
Sheet	Fiberglass	Joint Sealant
Mechanical Seals	Die Formed Rings	Gore Tex®
Inflatable	Expansion Joints	Custom Fabricated

SHEET RUBBER PRODUCTS

Molded	EPDM	Diaphragm
Extruded	Gum	Sponge
SBR	Skirtboard	Silicone
Military Spec	Neoprene	Floor Matting

COUPLINGS / CLAMPS / FITTINGS

Hydraulic	Reusable	Quick Disconnects
Crimped	Dry Disconnect	Cam Lock
Brass	Push-On	Sanitary
Tri Clamp	Stainless Steel	Victaulic
Pre-Formed	Punch-Lok	Boss Clamps
Bolt Clamps	Steam	Worm Gear Clamps

CONVEYOR BELTING

Heavy Duty	Abrasion Resistant	Cotton
Lightweight	Oil Resistant	Polyester
Rubber	Heat Resistant	Monofilament
PVC	Wire Mesh	Nylon
Urethane	Skirt Rubber	Woven
Power Turn		

CONVEYOR BELTING SERVICES

Field Splicing	Flexco Fasteners	Flanges
Vulcanization	Lacing	V-Guides
Repairs	Punching	Lap Preparation
Pulley Lagging	Cleat Installation	Idlers
Stringing	Field Installations	Beltwall
